<https://www.behance.net/gallery/1476093/Lomofest-in-Ukraine>

Born October 15, 1977 in Lviv, Ukraine
Currently lives and works in Kiev, Ukraine

In my work I invent new ways of interacting form, color with the viewer.
In the works I use techniques: combinations of paints (based on acrylic), linocut, analog experimental photography, sound / visual jazz installations.
Inventor of the printing method and author of the book/picture project KNIGLI.
