BIO

My first oil painting I did at the age of 15, (I still have it) and was painting since then. I have many local and international shows, and my artworks are in many private and corporate collections in Armenia, Russia, Australia, India, Canada, France, and US. Prior to my emigration to US in 1991 I was an elected member of the Art Union of (former) USSR and an art instructor at the Yerevan State College of Arts. I received my MFA from the Academy of Art University of San Francisco, California, have BA from the Yerevan State Academy of Arts, Armenia, and in the spring of 2013 completed M.Ed in Content Area from the Marylhurst University, Marylhurst, Oregon.

I work almost in all medias but mainly in oil and acrylic/mixed media. More details are available on my website <http://www.amtunane.com>

My past one man show was this March, 2013 at the Streff Galery, Marylhurst, OR, and recently four of my works were accepted at the juried show and will be on display from June 11th - August 2nd, 2013 at the Gresham City Hall Gallery, Gresham. Also, I am a featured artist for the month of June on the ArtsyShark website <http://www.artsyshark.com/2013/06/12/featured-artist-amalya-nanetumanian/>
