## COLLECTIONS

Lisa's work is owned by collectors such as the governor of Colima, Mexico, film producer Eric Stange, opera singer Brenda Lewis, Microsoft director Todd Warren, Citizens Bank private collection, Bellas Artes private collection, presidential advisor Robert Lawrence, members of the Boston Symphony, and Hillary Clinton.

Several works from the grid series were selected to be featured in the upcoming Hollywood science fiction movie starring Josh Lucas.

The aerial refugee camp panels were selected as the prize winning center piece of the Boston Biennial IV.
